

APEING AROUND

When Michelle finally got back to her room she couldn't find the blue bag, Damian was going to kill her, unless she could find another...

Banana with enough potassium to fuel their search for the day... Damien is also a monkey that talks and is a bit of a dick. Michelle never thought that her idyllic dream of saving the poor defenseless creature would turn out like this. From the corner Damien continued his commentary of her search, "You know toots, are you starting to think that you may just not be cut out for this monkey business?"

The End
